

Casa Esperanza, Inc.
Health Plans Accepted

- **Always check with your own health insurance provider** before scheduling care to make sure you understand your covered benefits and costs.
- Your insurer determines the level of coverage you have. Insurance may have different levels of costs depending on where you receive care.
- The information below should be used as a reference, but it is important that you check with your own health insurance plan as coverage, benefits, and costs may vary.
- Additional referrals or authorizations may be required. Some services may not be covered by your insurance coverage at every location and/or for every service.
- Many health insurance plans may be used by other companies to cover certain services such as behavioral health services. Please contact your health insurance plan or employer for your specific questions.
- If you have any questions about whether we accept your insurance for the service you are requesting or to see if you are eligible for services without insurance, **please contact our Intake Team at 617-445-1123 x849.**
- If you are uninsured, Casa Esperanza may have alternative options to providing you with behavioral health services.
- If your health insurance plan or product is not listed below, please contact your insurance plan to find out for sure what coverage may be available to you.
